StratejiCo.

# *Ethical Integrity*

## DIVERSITY

As [**StratejiCo.**], we support diversity. Our egalitarian and responsible character is treasured both our employees and clients.

Please visit our **careers page** for more details.

## ANTI-BRIBERY

As [**StratejiCo.**] we comply both with the Foreign Corrupt Practices Act 1977 (US) and the Bribery Act 2010 (UK), as well as other legislation which ensures avoiding corruption and complying with the transparency requirements in international business.

## GOOD GOVERNANCE AND ETHICS

As [**StratejiCo.**], we apply good governance principles in our relationships with our clients both internally and externally. StratejiCo.'s founding partner Selim Oktar is the founding member and current board member (2015–2017) of the Corporate Governance Association of Turkey and also one of the founding members of the Turkish Ethics and Reputation Society.

## REPUTATION

Our predecessor company Strateji | MORI was awarded as the most reputable company in its area of expertise by Istanbul University's Faculty of Communication. Our executive team and partners are regularly giving speeches in meetings and seminars about communication, strategy development, and public affairs.
